SAFETY DATA SHEET		Appearance:	Soft paste, tan color, raw grain odor.	
ection 1: Identification		M/- 4 h- h- 11/4	Odor threshold not determined.	
Product identifier:	Rat & Mouse Attractant	Water solubility:	Negligible	
)ther identifier(s):	None	pH: Balativa danaitu	Not applicable 1.2 g/cc	
lses or restrictions:	Nontoxic rodent attractant / monitor bait	Relative density: Viscosity:	Not applicable	
	Contains no poison ingredient		Not applicable	
/anufacturer:	Liphatech, Inc.	% Volatile (volume): Evaporation rate:	Not applicable	
landidotaron	3600 W. Elm Street, Milwaukee, WI 53209	Vapor density:	Net applicable	
Emergency phone:	800-351-1476	Vapor density: Vapor pressure:	Not applicable	
	Monday - Friday 8:00 am - 4:30 pm	Boiling point:	Not determined	
	(US Central time zone)	Freezing point:	Not applicable	
After hours:	Call CHEMTREC at 1-800-424-9300	Flash point:	>150 °C (ASTM D92 method)	
	Identification	Autoignition temp.:	Not determined	
Section 2: Hazard Identification		Flammability:	Not a flammable solid	
This product does not meet the criteria for classification as a hazardous material as set forth in OSHA hazard communication regulations at 29 CFR 1910.1200, and requires no signal word, hazard class statements, precautionary statements or pictogram under these regulations. Section 3: Composition / Information on Ingredients		Decomposition temp.:		
			imit: Not applicable; Upper limit: Not applicable	
			octanol/water): Not applicable	
		Section 10: Stabilit	,	
			, not sensitive to shock or static discharge	
		Chemical stability:	Stable	
lazardous ingredien		Hazardous reactions:	None	
Contains no hazardou	s ingredients	Incompatible materials		
Section 4: First A	id Measures	Conditions to avoid:	None	
his product is nontoxic and contains no active ingredient. It consists			tion products: Oxides of carbon	
of grains and binders. No first aid measures should be required as a result of exposure to this product. If swallowed: No harmful effects are expected from swallowing of this		Section 11: Toxicological Information		
			ure: Ingestion, skin absorption.	
product. If person feels unwell, call a poison control center or doctor.		Symptoms of toxicity:		
f in eyes: May cause transient mechanical irritation from particles in		-	on: Mild, transient irritant	
eyes. If person feels eye irritation, rinse eyes water to remove		Acute oral effects:	Nontoxic	
particles.		Acute inhalation effect		
	No harmful effects are expected from skin	Acute dermal effects:	Nontoxic	
ontact with this product. If person feels skin irritation, wash with		Skin irritation:	Non-irritating Not a skin sensitizer	
soap and water.		Skin sensitization:		
f inhaled: No harmful effects are expected from inhalation of this		Carcinogenicity:	No ingredient listed by NTP, IARC, OSHA	
product. If person has breathing difficulty, call poison control center or doctor.		Section 12: Ecolog		
			to children, pets and non-target wildlife.	
Section 5: Fire-fighting Measures		Section 13: Dispos	al Considerations	
Extinguishing media: Use media suitable for the surrounding fire Specific fire or explosion hazards: None		This product is nontoxic	and may be disposed of in municipal trash.	
•	special cautions for firefighters: None		port Information
